

Welcome aboard new staff

On behalf of NYS Nursing Agency, i would like to welcome all the new staff to the agency. Lets keep up with the current work consistent and well leaving the clients with the smile on their faces.

Congrats to the current staff

To the older staff, i would like to congratulate u all on making the company what it is today. By involving yourselves in the care industry you have maintained the reputation of the company. Lets keep this level of service consistent since the standard of work is so high right now,

Training

For training if your have not received training for the following categories to contact Ajay, Daniel or Samson.

- Deprivation of liberty
- Challenging behaviour
- Mandatory updates

NVQ level 2

There are NVQ's in health and social care if you are interested to contact the office.

Appraisal Forms

If you have received appraisal forms, send them back to the office and if you have not received the forms contact us.

Claim back travel expenses

you are able to claim back your travel expenses. To do this you have to go on HMRC and look for a form called P87. This will give you the correct information you need in terms of refunding.

Make sure that all of the your time-sheets are in by the end of the week or this will have a delay in your payment (sorry to drop the bob a bit there)

Not thought of any jokes as of yet if you know of any good ones to tell Daniel at the office
